MEMORANDUM FOR: Associate Deputy Director for Intelligence

SUBJECT : Attendance at the Second General Assembly
of the World Future Society

1. The World Future Society will convene its Second General Assembly at the Washington Hilton from 2 June through 6 June 1975. The following OPR Staff Members have asked to attend:

C/IFS
C/ATG
Analyst/ATG
Analyst/IFS
Analyst/ATG
DDI/CAR
Research Asst/ATG
Research Asst/IFS

2. I recommend that OPR sponsor their attendance. In the case of each of the candidates, futures methodology will be important in forthcoming research activity. I have already met some of the speakers and panelists at other futures courses and meetings over the years, and would like to expand contacts for DDI and OPR outreach purposes.

3. I recommend that [] be sponsored for the short course on "Early Warning," as well. The cost is \$70.00.

4. The total cost per person for the economy registration (before 30 April) is \$45.00. I believe that we should sponsor one person [] at the \$60.00 registration fee, so that one office representative might attend the special luncheon, and so that the office will receive one copy of the Pre-Assembly report. Thus, the total cost to OPR, including [] short course, would be about \$450.00, which should be allocated against the various external training accounts.

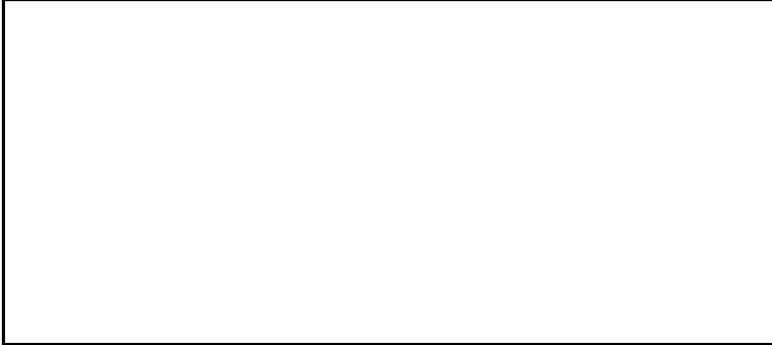

SUBJECT: Attendance at the Second General Assembly of the
World Future Society

5. Because the registration fee is relatively high, I
recommend that advances be arranged for the participants so
that they do not have to go out of pocket.
